

**Wisconsin Historical
MUSEUM**

Dear Chaperone:

Thank you for accompanying your student on their visit to the Wisconsin Historical Museum! We want this to be an educational and fun experience for all, and we can't do it without your involvement.

Here's some ways you can help during the day:

- Help students hang up coats, find the restrooms, and stash their lunches or other belongings into one of our bins.
- Listen carefully to our staff as they lay out your schedule for the day along with few museum rules.
- Lead by example and join in the fun! Silence your cell phones and be part of the experience of your guided tour.
- Help us keep our artifacts safe by keeping food, gum, and liquids on the 1st floor only.
- Please do stay with your students at all times during your visit to the Museum.
- Help your students make good choices in the museum store, and help our staff by leaving backpacks in bins during your visit.

We want your experience chaperoning your students to be as enjoyable and stress-free as possible. Please feel free to call or email us with any concerns, or speak with any staff member on the day of your visit.

Sincerely,

The Museum Education Team
